Renewal Classes

AMT employees will be required to attend a combination renewal class every other year. EMTs must attend the entirety of the morning shift while Paramedics must attend the entire day to get credit. All renewal classes must be completed in full. No independent classes for CPR, ACLS, or PALS will be offered.

**Prior to the start of class, employees must complete AHA videos and bring certificate of completion to class. Failure to do so will result in employees not being able to be in class that day.*
